Dear Parents and Carers,

5<sup>th</sup> December 2017

The school holds parents consultation once every term. This term our parent consultation for **Year 6** will be held on **Tuesday 12<sup>th</sup> December**. As pupils only spend 20% of their time in school, support at home plays a vital role in helping them to achieve their full potential. We recognise this fact and so invest in releasing the teachers so that they are free to meet with each child's parents to discuss the child's progress and strategies that can be used at home to support their learning. It is therefore very important that a parent attends the consultation.

You have been provided with an appointment time below. If you are unable to make this time, for example due to work commitments, please speak to your child's teacher to arrange an alternative appointment time.

Miss Kurup, our inclusion manager/SENCO will also be available to speak to parents of children with SEND needs. Should you wish to speak to her regarding the progress of your child, please make an appointment with the school office.

We hope you will be able to attend the meeting to celebrate your child's learning and to continue to build the partnership between home and school.

Yours faithfully,

**Class Teacher**
