17th September 2018

Dear Parents,

Please see below timetable of clubs that we are proposing to offer the children this term. Gifted and Talented clubs will also run throughout the year. If your child is selected for a Gifted and Talented club you will receive a separate letter.

This half term clubs will start the week beginning 24th September 2018 and run for 4 weeks until half term (week ending 19th October 2018). After the half term holiday, clubs will resume week beginning 29th October and will run for another 7 weeks until week ending 14th December 2018 – in total club places are offered for a block of 11 weeks this term. At present families who can provide evidence that they are in receipt of free school meals pay 50p and all other families £1 per child per club, per week in advance. In total clubs will cost £5.50 each for this term if you are in receipt of free school meals and £11 each if you are not.

If you would like your child to be considered for clubs this term, please complete the slip at the bottom of this letter and return it to the **AFTER SCHOOL CLUB BOX** allocated outside the **School Office** as soon as possible to avoid disappointment. Club spaces are limited and will be allocated on a first come first served basis. Teachers will NOT be taking responsibility for these club interest slips. Due to time restrictions these letters need to be returned by 9am on Wednesday 19th September in order for us to prepare the offer letters prior to the club start date.

If your child is offered a seat in a club you will receive another 'offer' letter giving further information next week. Please make sure that you **ONLY** apply for clubs that you and your child are willing to commit to for 11 weeks and that you are happy to pay for, as we cannot offer a refund once we have booked the coach to lead the club. We have provided details of the clubs on the back of this letter to help inform your decision. Once you receive confirmation of a club place, you will be required to pay for the clubs in full at the school office as soon as possible.

Yours sincerely,

Michele Walsham
