9th November 2018

Dear Parents/Carers,

ANTI-BULLYING WEEK

Next week the school will be celebrating **National Anti-Bullying Week**. Bullying is defined as: The repetitive intentional hurting of one person or a group by another person or group where the relationship involves an imbalance of power.

The week will be launched through a special assembly on Monday. The children will then have one lesson per day which will focus on issues around bullying. The theme this year is **respect**.

Each year group will share an anti-bullying story which will be used to discuss bullying with the children. The themes the children will explore include:

- What is bullying?
- How does bullying make someone feel?
- Is it right that people are bullied for being different?
- Why is it important to respect each other?
- What behaviours are/ are not respectful?
- What should we do if we are bullied or see someone being bullied (including bullying online)?

We will be holding a parent workshop on **Wednesday 14th November from 9.10-9.45am**, during which we will discuss the school's Anti-Bullying policy and the recording systems that we use in school. The Anti-bullying policy is also available on the school website.

We ask that you please support the school by asking the children to share with you what they have been learning in school.

CHILDREN IN NEED

Next week we will also be fund raising for Children in Need. We have organised a number of events in school but we need help to raise as much money as possible for this very worthy cause.

The office will be selling keyrings, pin badges and bags.
