Dear Parents and Carers,

## Safer Internet Day 2019

Old Palace Primary School is a registered supporter of Safer Internet Day 2019. We are joining the global Safer Internet Day campaign to promote the safe and sensible use of technology.

Coordinated in the UK by the UK Safer Internet Centre, Safer Internet Day is officially on Tuesday 6th February 2019 with the theme: 'Together for a better internet'. The theme will focus on how consent works in an online context and explore how young people ask, give, and receive consent online. This could be in their friendships or relationships, how they take and share images and videos or how they manage their privacy and data.

To celebrate the day, we are inviting parents to take part in tailored workshops and to join their child's class for their class activity. The following workshops and activities will take place, throughout the week, all in the **bottom hall**.
