

Autumn 1

Year 1 Research Projects

Our Topic: Me and My Home

This half term, Year 1s topic is 'Me and My Home'. Following on from their learning about senses in Reception. The children will be learning about how they use their senses, those that may not have all senses, different materials that make a home and what we might find in a home.

Here are some activities for your child to complete linked to our topic.

Project 1: Senses Due Monday 26th September

Create a project to share your learning about the different senses. Think about...What are the 5 senses? When do people use these senses? What is there to support those they maybe can not use one of their senses, such as sight or hearing loss?

The Five Senses

Touch

Hearing

Smell

Sight

Taste

Project 2: Everyday Materials Due Monday 17th October

Create a project to share your learning about different materials and their properties. Think about... Is the material

Manmade/natural? What words can be used to describe the different materials? Where might you find the materials around your home? Use the link below to support:

<https://www.bbc.co.uk/bitesize/topics/zrsgk7>

Think about how you want to present your learning. Will you choose to create a model, write a fact file, make a posster or maybe something else? How you choose to present your information is up to you!

We can't wait to see the amazing projects you create!
