

Evaluation of Sports Premium Spending 2021-22

The Sports Premium has allowed the school to deliver an effective PE curriculum. At the start of the year all pupils in KS2 took the Multi-Stage-Fitness test, a test designed to measure children's cardio endurance levels. They were tested again at the end of the year. This showed the children's fitness level increased. On average each child has made an improvement of 0.5.

Below is a breakdown of how the Sports Premium was spent and its impact.

Amount	Spending Focus	Benefit
£10,000	Contribution towards half the salary costs of the school's Sports TA	Provides daily lunchtime and after school clubs for KS1 & KS2 pupils Offers specialist support during PE sessions. Escorting pupils to inter-sports events
Impact	The school has provided 52 sports clubs throughout the year. On average 93 children each half term participated in sports clubs. As a school we have offered children the chance to take part in a variety of sports including dance, invasion games, striking and fielding and personal fitness.	
£650	Programme of Capoeira sessions in Year 6	To promote participation in sport
Impact	 <p>Year 6 pupils participated in 6 1 hour sessions with a specialised Capoeira instructor. By the end of the programme they were able to move in the 'Ginga' (basic dance) and perform a variety of other specialised moves in partners. Using the music to help find their flow, they learned to move in sync with one another and incorporate all of the moves they had learnt throughout the programme into a specialised performance/display in their final session.</p>	
£1450	Subsidy for Year 3 Residential to Thriftwood	To promote participation in outdoor sport/ physical activity
Impact	Children in year 3 enjoyed taking part in the Thrift wood residential. It was a great opportunity for the children to develop their independence, resilience and teamwork. Children really enjoyed taking part in a variety of outdoor adventure activities including the cresta run, rock climbing, archery, zip lining, orienteering, demolition and the assault course. It was great to see such determination, resilience and perseverance from the children. They overcame their fears of heights, insects and the dark! The children did a fantastic job at developing their independence as for many it was their first experience away from home.	

	<p><u>Children's quotes:</u> 'I really enjoyed the zip line, it looked scary at first, but it was actually really fun and I felt brave and confident after doing it!' 'I liked working as a team to solve the mysterious code during orienteering. We used a compass to find which way to go to find the next letter.' 'I tried out all of the activities and tried my best even when they were tricky! I felt really proud of myself!'</p> 	
£3700	Subsidy for Year 4 Residential to Gilwell Park	To promote participation in outdoor sport/ physical activity
Impact	<p>Year 4 attended Gilwell Park. During their stay, they overcame many challenges, rising above their potential and setting new personal achievements. The children got to participate in a range of activities including Archery, Climbing wall, raft building, high ropes and the legendary 'leap of faith'. The teachers witnessed the children display sheer bravery, teamwork and determination. Above all they have made their teachers and their school proud, as they have been kind, friendly and polite members of the Gilwell community, setting a fantastic example for the other schools also visiting the park. The school places high value on residential trips, as these allow the children to develop their confidence and independence in a way not possible at school.</p> <p><u>Year 4 Quotes</u> 'At first of the Leap of Faith, I was scared as it was very high. But when I got to the top, I realised it was not scary. I was proud when I completed it' 'My favourite activity was the 3G swing because you get to pick how high you go - it's like a massive swing.' 'I liked the cooking - we got to eat pizza and chocolate bananas.' 'On the Leap of Faith, when I reached the top I looked down and the pole looked skinny. I felt terrified. Afterward, I felt great.' 'We worked together and I learnt that you can face your fear and it might not be so bad' 'I learnt how to cook and what it means to be in a team' 'I learnt how to sleep and take care of yourself when your parents aren't around'</p> 	

£3700	Subsidy for Year 5 Residential to Mersea Island	To support the provision of outdoor physical education
Impact	<p>Year 5 had the opportunity to visit Mersea island as part of a residential trip in the Summer term. The children visited the island for a camping and adventure experience. They took part in all types of activities, from high-wire climbing to shelter building and campfire cooking. A huge part of their trip was to experience camping and living away from the city. The children had to pitch tents and camp in groups and rose to the challenge with real confidence. The children showed courage, tackling challenging tasks and doing so with bravery. Some children conquered their fear of heights, some their fear of small spaces. A particular highlight was seeing some children learn to ride a bike for the very first time and being able to take part in the riding activities with confidence and determination.</p> <p><u>Year 5 Quotes</u></p> <p>'I didn't know how to make a fire before, but they showed you how and it's really easy now'</p> <p>'My favourite bit was camping because we got to be in a tent with our friends.'</p> <p>'I don't have a bike at home, but I'm going to get one now because I know how to ride now.'</p> <p>'I am really proud of my friend, because she was scared of going down the hill in the go Kart, but we told her to be brave and she did it and had a lot of fun</p> <div data-bbox="432 1028 1442 1619" style="display: flex; flex-wrap: wrap;">     </div>	
£3700	Subsidy for Year 6 to visit Gilwell Park (as missed out on residential in Y4 & Y6	To promote participation in outdoor sport/ physical activity
Impact	<p>Year 6 attended Gilwell Park in the summer term. During their stay, they overcame many challenges, rising above their potential and setting new personal achievements and beating many personal goals. The children got to participate in a range of activities including archery, climbing wall, raft building, high ropes and the terrifying zip wire! The teachers witnessed the children display sheer bravery, teamwork and determination. They greatly impressed all of the adults with their maturity, bravery and genuine compassion for one another. They supported each other through challenges and made stronger bonds throughout their journey</p>	

	<p><u>Year 6 Quotes</u> 'I knew ____ could do the zip wire, he just had to find his inner strength and then he could do it, so that's why we were cheering for him!' 'This was the best 3 days of my life, can we go again next year?' 'I loved making chocolate bananas on the campfire, they were so tasty' The guides were really nice, and they made us feel safe and like we could do anything if we put our minds to it!'</p> 	
£2200	Intensive swimming lessons for Y6	To allow more children to achieve the KS2 swimming targets by providing additional practice
Impact	<p>Due to changes in leisure facilities, the local authority did not have the capacity to offer schools intensive swimming lessons, in addition to weekly lessons. Therefore the planned intensive swimming lessons did not go ahead.</p> <p>Instead this money was used to help finance Sports Clubs, so that these could be offered free of charge throughout 2021-22</p>	
£1800	<p>Year group sports taster days</p> <p>Sailing & Orienteering for Year 6 (£500)</p> <p>Events for other year groups to be confirmed</p>	To promote participation in a wide range of sporting/ physical activity
Impact	<p>With an ambitious schedule of education trips in place, it did not prove possible to also incorporate these visits this year.</p> <p>Instead this money was used to help finance Sports Clubs, so that these could be offered free of charge throughout 2021-22</p>	
£2000	Sports equipment (including 5-a-day Fitness)	To support the provision of high quality physical education
Impact	<p>Funding has been used to buy a range of different sized balls as well as batting stands to support inclusive learning allowing all children to take part in striking and field activities. Teacher have benefited from the use of PE Hub to support the planning of lessons particularly in dance and gymnastic lessons</p>	
£29,020	Total Spend: £26,820 (£2200 carried forward)
