

Autumn 2

Year 2 Research Projects

Our Topic: The Stuarts

This half term, Year 2 will be learning about Stuarts. As part of this unit children will be looking at the key events that happened during the Stuarts reign. They will be looking at Who Oliver Cromwell is and what he did. They will be learning about the Great Plague and how it affected life in London. They will also be learning about the Fire of London. How it started and how it affected life in London.

Here are some activities for your child to complete linked to our topic.

Project 1: The Plague Due Monday 21st

November

Create a project to share your learning about the the plague. What was the plague? When did the plague take place? How did people protect themselves from the plague? How did the plague spread? What other interesting information can you find about the plague? What can we do to keep safe from spreading illness?

Project 2: The Fire of London

Due Monday 5th December

Create a project to share your learning about the Fire of London. When did the fire of London start? How did it start? What toll did the fire have on London? How did they work to stop the fire? What can we do to keep safe from fire? What other interesting facts have you learnt about the fire?

Think about how you want to present your learning. Will you choose to create a model, write a fact file, make a posster or maybe something else? How you choose to present your information is up to you!

We can't wait to see the amazing projects you create!
