Dear parents/Carers,

Year 6 are continuing to raise money as part of their 'Make it Real' project to adopt an endangered animal. Yesterday they hosted a 'Penalty shoot-out' and raised 45% of their target!

Today we will be selling some fantastic '**black ink pens**' that were donated to the school. These pens **can** also be used in school if you have a pen license!

We will be selling the pens **outside** the **KS2 library** from **15:30pm today (9/2/23)** and **tomorrow (10/2/23)**.

The cost of **one pen is 25p**, or you could take advantage of our special deal, and purchase **5 pens for £1**

Please remember, all money raised from our sales will go towards adopting an endangered animal.

Kind Regards
Year 6

Headteacher: Mr G. Palmer BA (Hons)
School Business Manager: Michele Walsham
