Monday 20<sup>th</sup> March 2023

Dear Parents/ Carers,

To assist you in helping to prepare your child for their upcoming test in May, we are will be taking orders for CGP Revision Guides at tomorrow's parent's workshop. These guides have been updated to help pupils prepare for the new tests. Ordering through the school will allow you to get these books at a discounted price. When purchased in store each book is usually about £4.50. If you wish to purchase any of the revision booklets please fill out the slip below (hard copies will be available at the workshop **tomorrow Tuesday 21<sup>st</sup> march 9:10am**) and hand into Ms McClelland at the workshop or the office with the correct money by **9am on Wednesday 22<sup>nd</sup> March 2023**. The order will be placed that day, allowing the books to arrive before the end of term. These will be a great tool to use during the holiday to help prepare your child for the tests.
