#### Year 4: Summer 2

## **Topic: States of Matter (Science)**

- Recap: What is a healthy diet?
- What makes the **fizz** in fizzy drinks?
- What are the **states of matter**? *(solids. Liquids, gas, particles)*
- Which foods are solids and liquids and how do we know the difference? (solid, powder, liquid, molecules, (molecular) bonds, vibrating, movement, energy)
- Can you name some gases and tell me how they are used?
  - (molecules, (molecular) bonds, vibrating, fast movement, energy, methane, carbon dioxide, oxygen, air, helium, hydrogen, car fumes)
- Can you group materials based on their state of matter?
- What is melting/cooling? (reversible/temporary, irreversible change/permanent, breaking bonds, molecules, heating, more energy, melting point, forming bonds, molecules, cooling, less energy, freezing point)
- How does **melting** and **cooling** change our food?
- Why does the **temperature** of a hot/cold drink change over time?
  - (thermometer, Celsius, cooling, heating, energy, temperature)
- Which **materials** are good **thermal insulators/conductors**?

(thermal, conductor, insulator, thermometer)

 Why is the water cycle so important? (evaporation, condensation, precipitation, rain, sea, run-off, groundwater, evaporation, condensation)

## **Computing: Google Draw**

- What can **drawing applications** be used for?
- How do you insert new **shapes** or **objects**?
- How do you change the **order** of objects?
- How can you change the size of objects and text?

#### Art:

- What is abstract art? (modern art, it has colour, lines and shapes (form), but they are not intended to represent objects or living things)
- Can you name me two abstract artist, including a female artist? (Pollark, Kraisner, Mondrain)
- What was unique about Lee Kraisner Style?
- Who painted the **Convergence** and **Summer play**?
- Which abstract painting style is your favourite? Why?
- Can you create your own abstract art piece?

### French: Le chocolat chaud (hot chocolate)

- Can you give instructions in French?
- Which topic words and verbs will you use?
  (mesurer, chauffer, ajouter, fouetter, servir, le lait, le chocolat noir, la canelle, le noix de muscade)
- How would you tell someone to wash their hands? Pour in the milk etc? (lavez les mains, ajoutez le lait)
- Which time connectives will you use? (d'abord, ensuite, enfin)

#### **DT: Structure**

- What have you made?
- What materials/tools did you use?
- What type of structure is it?
- How can you make it stronger?

# **RE: Life journey (Christianity, Hinduism and Judaism)**

- Explain the aims in Hindu life through Moksha and Dharma.
- How do Hindus honour the end of life and death through their ceremonies?
- Why do Christians, Hindus, Jews and people of no faith choose to share vows when they marry?
- What are the similarities and differences between the journey of life for Christians, Hindus and Jews?
  - Make comparisons between religious and non-religious celebrations.
  - How do celebrations and festivals help us reflect on life.
