Wednesday 11th October 2023

Dear Parents/Carers

In year 2 our topic this half term has been all about Keeping Healthy and children have been learning about different ways to keep healthy by leading an active lifestyle.

As part of our learning the children have put together some presentations we would like to share with you. There will be two parts to the presentation and we invite you to join us on the afternoon of **Thursday 19th October 2023 at 2:30pm**

- One part of the presentation will take place at Bob's Park, where the children will be teaching you different games and activities you can play at the park together that encourage the children to be active and keep fit. It might be best to wear some trainers so you can join in with the activities!
- Another part of the presentation will take place in the children's classroom, where they will be sharing what they have learnt about healthy eating and mindfulness.

Outline of the afternoon

Time	Location	Activity
2:30 pm	Bobs Park	Parents meet us at Bobs Park, Children will teach parents fun some active games!
3:00 pm	School (Classroom)	Parents will come back to school with the class, Children will present their learning about healthy lives!
3:20 pm	School (Playground)	Parents will be asked to go out into the playground, Children will begin getting ready for home time
3:30 pm	School (Playground)	Children will be dismissed for home as usual.

In the past, this has been a very popular event for year 2 parents to attend and it can be a tight squeeze so we do kindly ask if possible to refrain from bringing prams or younger siblings.

We look forward to sharing our learning with you, can't wait to see you there!

Sincerely,
Year 2 team
