26th February 2024

Dear 5D parents/ carers,

This half term 5D will be trialling the use of homework books, where they will complete a math and English homework in the front and then a topic question in the back. The children were shown how to use the homework book on Friday and also shown examples.

They will then have a timetabled slot towards the end of the week, to share their answers in class and the teacher to verbally feedback.

Towards the end of the half term, we will be asking for parent feedback on this system.

If you have any questions, please don't hesitate to reach out to the main office who can put you in contact with the class teacher.

Kind Regards,

Miss Millward
Deputy Head

Headteacher: Mr G. Palmer BA (Hons)
Business Manager: Michele Walsham
