Thursday 1st February 2024

Dear Parents & Carers,

Next week, Old Palace will be joining schools across the UK to promote Safer Internet Day 2024. Safer Internet Day is a global campaign to promote the safe and responsible use of technology, which calls on children and young people, parents, carers, teachers, social workers, law enforcement, companies, policymakers and more, to help to create a better internet. Using the internet safely and positively is a key message that we promote in school and celebrating Safer Internet Day is a great opportunity for us to re-emphasise the online safety messages we deliver throughout the year.

Here at Old Palace, we will be carrying out Online Safety sessions,, which will be held **Wednesday 7th February and Thursday 8th February**. We would like to invite parents from **Years 1- 4** to come in for our Parent Workshop to find out tips on how to keep your child safe online. This will be held on **Wednesday 7th February at 9.15-10.00am.** After the workshop, you will have the opportunity to go to your child's class to see what they have been learning.

We would also like to invite parents from **Year 5 and 6** to a Parent Workshop on **Thursday 8th February from 9.15-10.00am** where you will receive practical guidance and look at the latest apps, with myself and Abdullahi the ICT technician.

Below is the timetable for the week:

Wednesday 7th February	9.15-10.00am	Parent Workshop (Year 1-4)
	10.00-10.20am	Parents can visit their child in class **1O, 1W, 2B, 2H, 3K, 3H, 4T**
Thursday – 8th February	9.15-10.00am	Parent Workshop downstairs hall (Year 5-6)
Thursday 8th February	9:30-9:50am	**4D** parents invited into the class (due to a trip on the 7th February)

You can join in by continuing the conversation at home. To help you with this, the UK Safer Internet Centre has created some free activities and information for parents and carers which are available at: https://saferinternet.org.uk/guide-and-resource/parents-and-carers . If you have any concerns or questions about keeping your child safe online, please do get in touch with the school.

Yours faithfully,

Ms. Begum
