Dear Parents/Carers

We will be holding trial sessions this Friday 20th for the Girls Football Team.

If you would like to take part, please come to School on Friday morning in your PE kit, to the Team Games zone, where Mr. Maurice will be holding trials.

The trials will focus on:

- Dribbling and passing
- Teamwork and communication
- Short matches

Once the trials are complete, Mr. Maurice will decide the team and invite individuals to attend an **after school club every Friday for this half-term.**

The Girls football team will then participate in the 5-a-side football tournament at Marners school each week. More information on this to come after the trials are completed.

Kind Regards,

Mr. Heighington
Assistant Headteacher

Mr. Maurice
Sports Coach
