Dear Parents/Carers,

On Thursday 21st November the 'Be Internet Legends' team (from Parent Zone and Google) will be presenting an assembly on the subject of internet safety at Old Palace.

The assembly will take the children on an interactive educational adventure, helping them better understand disinformation, scams and search engines as part of a focus on media literacy - as well as taking a look at the fundamental pillars of the programme- **Smart, Alert, Secure, Kind and Brave.**

They will be capturing some footage via film, to be used internally by Parent Zone and Google team, for training and quality purposes. This will capture the setup and presenters only.

Please find a link below which explains what 'Be Internet Legends' is:
