

Nature Walk Questions

1. Plants and Trees:

- "What type of tree is that? Can you describe its leaves?"
- "Do you see any flowers? What colours are they?"
- "How do you think this plant grows? What do you think it needs to survive?"
- "Can you find any different kinds of plants or flowers along our path?"
- "What shape are the leaves on this plant? Can you feel them?"

2. Animals:

- "What animals can you see? Can you name them?"
- "Can you hear any birds? What do their sounds remind you of?"
- "What do you think this animal is doing? Why do you think it's acting that way?"
- "If you could be any animal for a day, which one would you choose? Why?"
- "Can you find any animal tracks or signs? What do they look like?"

3. Weather and Environment:

- "How does the weather feel today? Is it hot, cold, or just right?"
- "What do you notice about the sky? Is it cloudy, sunny, or rainy?"
- "How do the weather conditions affect what we see around us?"
- "Can you describe how the sunlight makes the colours of nature look?"
- "How does the wind feel on your skin? Does it change how you feel?"

4. Sounds:

- "What sounds do you hear? Can you name them?"
- "Is there a sound that stands out? Why do you think that is?"
- "Can you imitate any of the sounds you hear?"
- "How does nature sound different from a busy city?"

- "If you could describe the sound of the wind, what words would you use?"

5. Textures and Senses:

- "Can you describe how the bark of this tree feels? Is it rough or smooth?"
- "What do you smell in the air? Can you identify any scents?"
- "Can you touch the grass? How does it feel compared to the leaves?"
- "What sounds do you think the leaves make when the wind blows?"
- "What colours do you see? Which one is your favourite?"
