Year 1 Maths

Place Value Addition and Subtraction			tion
	Koy Voosbulary		
Key Learning	Key Vocabulary Number	Key Learning	Key Vocabulary
Count and sort objects	Numeral	Using a part-whole model	Add
	How many		Addition
Count and write numbers to 100	Count (up) to	Finding related facts	Altogether
	Count on		Total
Counting 1 more and 1 less	Count back One more	Recalling number bonds to 20	Subtract
Ordering objects and numbers	One Less	Adding to find the whole	Take away Left over
Ordening objects and numbers	Before	Adding to find the whole	One less, Two
Using a number line	After	Subtracting to find a part	less
	Between		How much less
Identifying ordinal numbers	Equals to	Finding the difference	is?
Identifying tens and ones	Part whole	Knowing + - and = signs	equal first
identifying tens and ones	more/ less	Kilowing + - and – signs	then
			now
Multiplication and Division		Fractions	
Key Learning	Key Vocabulary	Key Learning	Key Vocabulary
· · · ·	Multiplication	· · · ·	Fraction
Counting in 10s, 5s and 2s	Multiply	Finding halves of shapes and groups	_ Equal part
	division	Finding quarters of change and groups	Equal grouping
Making simple arrays	Dividing Grouping	Finding quarters of shapes and groups	Equal Sharing Parts of a whole
Finding doubles	Sharing		Half
	Doubling		Quarter
Sharing equally	Halving		one or two equal
Oracina a such	Array		parts
Grouping equally	Number patterns		
Measures: Time	puttorne	Measures: Monev	
Measures: Time Key Learning		Measures: Money Key Learning	Key Vocabulary
Measures: Time Key Learning	Key Vocabulary Measure	Measures: Money Key Learning	Key Vocabulary Money
	Key Vocabulary Measure Time		Money Coin
Key Learning Referring to time using before and after	Key Vocabulary Measure Time Days of the	Key Learning Recognising coins	Money Coin Penny, Pence,
Key Learning Referring to time using before and after Using a calendar to talk about the year,	Key Vocabulary Measure Time Days of the week	Key Learning	Money Coin Penny, Pence, Pound
Key Learning Referring to time using before and after	Key Vocabulary Measure Time Days of the week Old, New	Key Learning Recognising coins Recognising notes	Money Coin Penny, Pence, Pound Price, Cost
Key Learning Referring to time using before and after Using a calendar to talk about the year,	Key Vocabulary Measure Time Days of the week	Key Learning Recognising coins	Money Coin Penny, Pence, Pound Price, Cost Spend Pay
Key Learning Referring to time using before and after Using a calendar to talk about the year, using months, weeks and days	Key Vocabulary Measure Time Days of the week Old, New Before, after	Key Learning Recognising coins Recognising notes	Money Coin Penny, Pence, Pound Price, Cost Spend
Key Learning Referring to time using before and after Using a calendar to talk about the year, using months, weeks and days	Key Vocabulary Measure Time Days of the week Old, New Before, after Quick, Slow	Key Learning Recognising coins Recognising notes	Money Coin Penny, Pence, Pound Price, Cost Spend Pay How much/How many
Key Learning Referring to time using before and after Using a calendar to talk about the year, using months, weeks and days Telling time to the hour and half hour	Key Vocabulary Measure Time Days of the week Old, New Before, after Quick, Slow	Key Learning Recognising coins Recognising notes Counting with coins	Money Coin Penny, Pence, Pound Price, Cost Spend Pay How much/How
Key Learning Referring to time using before and after Using a calendar to talk about the year, using months, weeks and days Telling time to the hour and half hour Geometry:	Key Vocabulary Measure Time Days of the week Old, New Before, after Quick, Slow How often	Key Learning Recognising coins Recognising notes Counting with coins Measures:	Money Coin Penny, Pence, Pound Price, Cost Spend Pay How much/How many Total
Key Learning Referring to time using before and after Using a calendar to talk about the year, using months, weeks and days Telling time to the hour and half hour Geometry: Shape, position and dire	Key Vocabulary Measure Time Days of the week Old, New Before, after Quick, Slow How often	Key Learning Recognising coins Recognising notes Counting with coins Measures: length, width, mass and compared to the cons	Money Coin Penny, Pence, Pound Price, Cost Spend Pay How much/How many Total
Key Learning Referring to time using before and after Using a calendar to talk about the year, using months, weeks and days Telling time to the hour and half hour Geometry:	Key Vocabulary Measure Time Days of the week Old, New Before, after Quick, Slow How often	Key Learning Recognising coins Recognising notes Counting with coins Measures:	Money Coin Penny, Pence, Pound Price, Cost Spend Pay How much/How many Total
Key Learning Referring to time using before and after Using a calendar to talk about the year, using months, weeks and days Telling time to the hour and half hour Geometry: Shape, position and dire	Key Vocabulary Measure Time Days of the week Old, New Before, after Quick, Slow How often Ction Key Vocabulary Shape, Pattern Flat	Key Learning Recognising coins Recognising notes Counting with coins Measures: length, width, mass and c Key Learning Comparing length & height	Money Coin Penny, Pence, Pound Price, Cost Spend Pay How much/How many Total tength, Height, Width, Depth
Key Learning Referring to time using before and after Using a calendar to talk about the year, using months, weeks and days Telling time to the hour and half hour Geometry: Shape, position and dire Key Learning Naming 3D shapes	Key Vocabulary Measure Time Days of the week Old, New Before, after Quick, Slow How often Ction Key Vocabulary Shape, Pattern Flat Curved	Key Learning Recognising coins Recognising notes Counting with coins Measures: length, width, mass and cons Key Learning	Money Coin Penny, Pence, Pound Price, Cost Spend Pay How much/How many Total tength, Height, Width, Depth Litre
Key Learning Referring to time using before and after Using a calendar to talk about the year, using months, weeks and days Telling time to the hour and half hour Geometry: Shape, position and dire Key Learning	Key Vocabulary Measure Time Days of the week Old, New Before, after Quick, Slow How often Key Vocabulary Shape, Pattern Flat Curved Round	Key Learning Recognising coins Recognising notes Counting with coins Measures: length, width, mass and cons Key Learning Comparing length & height using taller & shorter	Money Coin Penny, Pence, Pound Price, Cost Spend Pay How much/How many Total tength, Height, Width, Depth Litre Longer,
Key Learning Referring to time using before and after Using a calendar to talk about the year, using months, weeks and days Telling time to the hour and half hour Geometry: Shape, position and dire Key Learning Naming 3D shapes Naming 2D shapes	Key Vocabulary Measure Time Days of the week Old, New Before, after Quick, Slow How often Ction Key Vocabulary Shape, Pattern Flat Curved Round Size	Key Learning Recognising coins Recognising notes Counting with coins Measures: length, width, mass and c Key Learning Comparing length & height	Money Coin Penny, Pence, Pound Price, Cost Spend Pay How much/How many Total tength, Height, Width, Depth Litre Longer, Shorter
Key Learning Referring to time using before and after Using a calendar to talk about the year, using months, weeks and days Telling time to the hour and half hour Geometry: Shape, position and dire Key Learning Naming 3D shapes	Key Vocabulary Measure Time Days of the week Old, New Before, after Quick, Slow How often Key Vocabulary Shape, Pattern Flat Curved Round	Key Learning Recognising coins Recognising notes Counting with coins Measures: length, width, mass and cons Key Learning Comparing length & height using taller & shorter	Money Coin Penny, Pence, Pound Price, Cost Spend Pay How much/How many Total tength, Height, Width, Depth Litre Longer,
Key Learning Referring to time using before and after Using a calendar to talk about the year, using months, weeks and days Telling time to the hour and half hour Geometry: Shape, position and dire Key Learning Naming 3D shapes Naming 2D shapes	Key Vocabulary Measure Time Days of the week Old, New Before, after Quick, Slow How often Key Vocabulary Shape, Pattern Flat Curved Round Size Bigger, Larger,	Key Learning Recognising coins Recognising notes Counting with coins Measures: length, width, mass and cons Key Learning Comparing length & height using taller & shorter Measuring with a ruler Comparing weight using heavier & lighter	Money Coin Penny, Pence, Pound Price, Cost Spend Pay How much/How many Total tength, Height, Width, Depth Litre Longer, Shorter Volume
Key Learning Referring to time using before and after Using a calendar to talk about the year, using months, weeks and days Telling time to the hour and half hour Geometry: Shape, position and dire Key Learning Naming 3D shapes Naming 2D shapes Making patterns with shapes Describing turns using left and right	Key Vocabulary Measure Time Days of the week Old, New Before, after Quick, Slow How often Key Vocabulary Shape, Pattern Flat Curved Round Size Bigger, Larger, Smaller Symmetry Match	Key Learning Recognising coins Recognising notes Counting with coins Measures: length, width, mass and c Key Learning Comparing length & height using taller & shorter Measuring with a ruler	Money Coin Penny, Pence, Pound Price, Cost Spend Pay How much/How many Total capacity Key Vocabulary Length, Height, Width, Depth Litre Longer, Shorter Volume Full
Key Learning Referring to time using before and after Using a calendar to talk about the year, using months, weeks and days Telling time to the hour and half hour Geometry: Geometry: Shape, position and dire Key Learning Naming 3D shapes Naming 2D shapes Making patterns with shapes Describing turns using left and right Describing positions involving forward,	Key Vocabulary Measure Time Days of the week Old, New Before, after Quick, Slow How often Key Vocabulary Shape, Pattern Flat Curved Round Size Bigger, Larger, Smaller Symmetry Match Movement	Key Learning Recognising coins Recognising notes Counting with coins Measures: length, width, mass and construction Key Learning Comparing length & height using taller & shorter Measuring with a ruler Comparing weight using heavier & lighter Measuring using a balance scale	Money Coin Penny, Pence, Pound Price, Cost Spend Pay How much/How many Total capacity Key Vocabulary Length, Height, Width, Depth Litre Longer, Shorter Volume Full
Key Learning Referring to time using before and after Using a calendar to talk about the year, using months, weeks and days Telling time to the hour and half hour Geometry: Shape, position and dire Key Learning Naming 3D shapes Naming 2D shapes Making patterns with shapes Describing turns using left and right	Key Vocabulary Measure Time Days of the week Old, New Before, after Quick, Slow How often Key Vocabulary Shape, Pattern Flat Curved Round Size Bigger, Larger, Smaller Symmetry Match Movement Whole turn, half	Key Learning Recognising coins Recognising notes Counting with coins Measures: length, width, mass and cons Key Learning Comparing length & height using taller & shorter Measuring with a ruler Comparing weight using heavier & lighter	Money Coin Penny, Pence, Pound Price, Cost Spend Pay How much/How many Total capacity Key Vocabulary Length, Height, Width, Depth Litre Longer, Shorter Volume Full
Key Learning Referring to time using before and after Using a calendar to talk about the year, using months, weeks and days Telling time to the hour and half hour Geometry: Geometry: Shape, position and dire Key Learning Naming 3D shapes Naming 2D shapes Making patterns with shapes Describing turns using left and right Describing positions involving forward,	Key Vocabulary Measure Time Days of the week Old, New Before, after Quick, Slow How often Key Vocabulary Shape, Pattern Flat Curved Round Size Bigger, Larger, Smaller Symmetry Match Movement Whole turn, half turn, quarter	Key Learning Recognising coins Recognising notes Counting with coins Measures: length, width, mass and construction Key Learning Comparing length & height using taller & shorter Measuring with a ruler Comparing weight using heavier & lighter Measuring using a balance scale	Money Coin Penny, Pence, Pound Price, Cost Spend Pay How much/How many Total capacity Key Vocabulary Length, Height, Width, Depth Litre Longer, Shorter Volume Full
Key Learning Referring to time using before and after Using a calendar to talk about the year, using months, weeks and days Telling time to the hour and half hour Geometry: Geometry: Shape, position and dire Key Learning Naming 3D shapes Naming 2D shapes Making patterns with shapes Describing turns using left and right Describing positions involving forward,	Key Vocabulary Measure Time Days of the week Old, New Before, after Quick, Slow How often Key Vocabulary Shape, Pattern Flat Curved Round Size Bigger, Larger, Smaller Symmetry Match Movement Whole turn, half	Key Learning Recognising coins Recognising notes Counting with coins Measures: length, width, mass and construction Key Learning Comparing length & height using taller & shorter Measuring with a ruler Comparing weight using heavier & lighter Measuring using a balance scale	Money Coin Penny, Pence, Pound Price, Cost Spend Pay How much/How many Total capacity Key Vocabulary Length, Height, Width, Depth Litre Longer, Shorter Volume Full
